The Pride of SHOGUN
Omotenashi Philosophy

Despite being a very modern society, Japan is still seen as a traditional Asian country. The customary clothing (Kimono), food and honorific language can still be found throughout Japan. Its culture is known for excellent service and hospitality, which is based on the philosophy of Omotenashi.

Here at Shogun, we have brought this traditional Omotenashi-style of service to our guests; entertaining guests from the heart and putting special effort in satisfying guests’ needs.
